

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

Hello my name is Dan Jimosse .

I live in Sacramento, CA. My cable provider has chnged hands 3 times in the last 5 years, each time resulting in a degradation of service and selection. I belive that American media (the peoples right to speak and hear information)needs special protection from monopolistic giants of industrie. Please insure the FCC continues to act on behalf of the will of the people and not that of a few special intrest soft money donors.
